

# Explorers Challenge

## Woodland Journey Stick

### You will need:

- A strong stick
- String
- Scissors

### Instructions

1. Take your stick on a woodland walk
2. Pick up natural items along the way, moss, lichens, twigs, leaves etc.
3. Tie the items to your stick using your string
4. When you get home keep your journey stick in a safe place. Each time you see it you will be reminded of your woodland journey.

### Remember:

Always explore safely and with an adult.
